ERRATUM

The article “A Controlled, Prospective Study of the Effects of Atorvastatin on Proteinuria and Progression of Kidney Disease” (Bianchi et al, *American Journal of Kidney Diseases* 41:565-570, 2003) contains 2 errors:

1. On page 567, column 1, last paragraph, it should read “urine protein excretion decreased from 2.2 ± 0.1 to 1.2 ± 0.1 g” (instead of “1.0”).
2. On page 569, the legend of Fig 2 should read “The percent decline in creatinine clearance was significantly lower in patients treated with atorvastatin” (instead of “greater”).
