

ON THE COVER The cover image depicts Victoria Falls, one of the world's largest waterfalls. Victoria Falls lies on the border between Zambia and Zimbabwe along the Zambezi River in Sub-Saharan Africa. Rainbows are often seen through its mist. In this month's issue of *AJKD*, Dahwa et al present data from The Dialysis in Zimbabwe (DIAZ) project reporting on the epidemiology of dialysis in the country. See [p. 813](#).
