
In the Review entitled “Renal Denervation: A Review” that appeared in the October 2022 issue of AJKD,1 there was an error in the presentation of the first author’s name. This name appeared as Jimena Rey; the correct presentation is Jimena Rey-García.

Reference

In the Core Curriculum in Nephrology installment entitled “Principles of Immunosuppression in the Management of Kidney Disease: Core Curriculum 2022” that appeared in the September 2022 issue of AJKD,1 there was a typographical error in Figure 1, in which “obinutuzumab” was incorrectly rendered as “obintuzumab”. A corrected version of the figure is provided here.

Figure 1. Sites of action of various immunosuppressive drugs. Abbreviations: MAC, membrane attack complex; NFAT, nuclear factor of activated T cells; NFKB, nuclear factor-κB. Created with Biorender.
